

How do I book a BRICK KIDS birthday? Here's what to do:

- 1) **Decide on a theme.** Lots of exciting themes to choose from!
- 2) **Call or e-mail Linda** at (845) 304-8928 or brickkids@optonline.net to book a date and a time. Hurry, dates are booked fast! Tell me your theme and an estimate of how many guests you are expecting. Tell me where the party will be located. (If the location is one hour or more from our starting location you will need to pay a \$50 transportation fee.)
- 3) **Fill out the Party Registration Form below.** Mail it in with your \$50 **non-refundable** check or money order deposit to: **BRICK KIDS P.O. Box 2 Lagrangeville, NY 12540.** If you would like to pay the deposit by Visa, MC, or Discover please include the information on the form. Please take note:
NO PARTY IS BOOKED UNTIL I RECEIVE A DEPOSIT AND REGISTRATION FORM!
- 4) **Confirm the party!** When we receive the payment and registration form, we will contact you to confirm all the details. Now your party is officially booked!
- 5) **Give us a final guest count.** About 1 week prior to your party, contact us with your guest count and to finalize plans.

At the day of your party, we will arrive about 15 minutes early to set up. We will require the remainder of your payment on the day of your party, by cash, check or money order. Get ready for some **BRICK KIDS** fun!

How do I set up for a BRICK KIDS party?

We prefer to work on tables. Ideally, you will have tables with enough chairs to accommodate all your guests. We will also like an extra table for some free play with **LEGO**® bricks and space to build your child's name in **LEGO**® bricks. If tables and chairs are not available, we can work on a wood or tile floor (carpet is hard to build **LEGO**® brick creations on.) **BRICK KIDS** prefer to work indoors. (Grass eats **LEGO**® bricks!) The more you let us know about your location, the better we are able to plan the party.

If you are expecting younger siblings or guests at the party that are under 5 years old please let us know. If you are expecting a large number of children under the age of 5 we can provide a **DUPLO**® play area for the little ones for an additional \$20. **LEGO**® bricks are not recommended for children under 5.

All child guests participating in building with **LEGO**® bricks are included in the per child price.

The children at the party are expected to be under the supervision of their parents and/or the party hosts at all times. **BRICK KIDS** will be providing the entertainment and activities only. In a party situation we are not providing child care. We are not responsible in any way for the safety and health of the children at the party. **BRICK KIDS** will not be held liable for any accidents or injuries at the party, or for damage to the party location. We are in no way connected to the **LEGO**® Company.

We do not provide any food or paper goods. We do not provide any tables or chairs. We do provide a lot of **LEGO**® brick fun!

Dogs or any pets that may eat **LEGO**® bricks should not be in the party location. Young children who may put **LEGO**™ bricks in their mouth should be kept away from the general **LEGO**™ brick play area. Please keep food items away from the **LEGO**™ bricks. **BRICK KIDS** is prepared to be the only entertainment at your birthday party. If, however, you are hiring an additional company to entertain the children please let us know, so that we can coordinate with them to make your party a seamless experience.

BRICK KIDS Birthday Party Registration Form

Parent's name _____

Mailing Address _____

Telephone Number _____

Cell Number _____ E-mail address _____

Address of Party location _____

(Remember, if this location is an hour or more from our start location we will add an additional \$50 transportation fee to the party total)
