

BRICK KIDS BIRTHDAYS! 2011

LEGO® brick birthday parties!*

BRICK KIDS comes to your location and takes over the party! First we have free play time with LOTS of LEGO® bricks. Then we will do some amazing and creative group projects, designed to leave them saying “**Wow, we built THAT!**” Plus the birthday child’s name will be created in LEGO® bricks as a wonderful keepsake of the day. These name signs are custom works of art, and are themed according to the party selection. Each party ends with a fun, active game designed to leave them laughing. You provide the food, paper goods and goodie bag; we provide the fun! Parties last one and one half hours and cost \$30 per child. **BRICK KIDS** parties are for ages 5-13. Choose your party theme:
